REGIONAL CERTIFYING BODY -TOWNSVILLE & NORTH QUEENSLAND

Chamber of Commerce & Industry Queensland is gazetted by the Federal Government of Australia as a Regional Certifying Body for Townsville. The role of the Regional Certifying Body (RCB) is to act as a source of assistance for employers to sponsor permanently highly skilled foreign workers under the Regional Sponsored Migration Scheme (RSMS). Through knowledge of the local labor market, Regional Certifying Bodies assesses a nomination before or after lodging the nomination application with the Department of Immigration and Border Protection (DIBP).

RSMS ASSESSMENT CRITERIA

RCB Townsville assesses and provides DIBP with advice on Direct Entry Stream employer nominations only. The assessment is done against the following criteria:

2. The terms and conditions of employment applicable to the position will be no less favourable than the terms and conditions that are provided to, or would be provided to, an Australian citizen or Australian permanent resident for performing work in the person’s workplace at the same location;

3. The position cannot be filled by an Australian citizen or an Australian permanent resident who is living in the same local area where the nominated position exists.
